

1. Introduction

This End User License Agreement (this "Agreement") is a contract made by and between Type Syndicate LLC, as Licensor, and the party named in the Order Invoice, as Licensee, and sets forth the terms and conditions upon which Licensee may use the Fonts identified in the Order Invoice (together with the computer software containing representations of the typeface design(s), the "Fonts"). By purchasing, downloading, installing or otherwise using the Fonts (including the associated computer software), Licensee agrees to the terms and conditions of this Agreement. The Fonts are provided in both OTF (OpenType CFF) and WOFF2 file formats.

Upon payment in full by Licensee of all applicable license fees set forth in the Order Invoice, Licensor shall grant Licensee the limited, non-exclusive, non-transferrable right to use the Fonts in accordance with the terms of this Agreement. Any rights to the Fonts not expressly granted to Licensee under this Agreement are reserved by Licensor.

2. Desktop Allowances

a. Authorized Users

Licensee may install the Fonts on an unlimited number of devices that are owned or controlled by Licensee. All users must be employed or engaged by Licensee. Licensee may share the Fonts with any subcontractor or vendor engaged by and working on behalf of Licensee, provided Licensee gives a copy of this Agreement to such subcontractors or vendors and they abide by the terms of this Agreement and delete the font files upon completion of their work on behalf of Licensee. All such employees and third parties, including third party subcontractors and vendors, are "Authorized Users." Licensee shall use all necessary precautions to secure the Fonts and prevent unauthorized persons from accessing or using the Fonts. No Authorized User is permitted to use the Fonts on behalf of themselves or any party other than Licensee. Licensee shall be liable for any breach of this Agreement by any Authorized User.

b. Embedding

Licensee may embed the Fonts into electronic documents for use on computers that are controlled by Licensee provided that the electronic documents are for personal or internal business use. The Fonts may be embedded into electronic documents for use on computers that are not controlled by Licensee only if the electronic documents are distributed in a secure format that allows only printing and/or viewing.

c. Logo Use

Licensee is permitted to use the Fonts to create logos and/or brand identities for itself and any entities owned by Licensee.

3. Web Allowances

Licensee may use the webfonts (.woff2 files) via the CSS @font-face rule for styling text on any number of websites owned and controlled by Licensee. Licensee is permitted to use the Fonts in email communications provided such emails are served and managed from Licensee's server. Licensee shall make all reasonable best efforts to prevent the use of any process that allows hot-linking, re-serving or re-directing access to and/or use of the Fonts, including associated software, by unlicensed parties.

4. Restrictions

a. Modifications

Under no circumstances may Licensee, directly or indirectly, modify, adapt, translate, reverse engineer, decompile, disassemble, alter, or otherwise attempt to discover the source code of the software for the Fonts or the designs embodied therein. The use of any font creation or font manipulation program or any attempt to modify the Fonts for the purposes of creating a usable, derivative or substitute version of the Fonts is prohibited. Licensee further shall not commission, authorize or utilize the services of any third party to undertake modifications to the Fonts and associated software without the prior written consent of Licensor.

4. Restrictions (cont.)	b. Distribution	The license granted under this Agreement is non-transferrable. Licensee may not rent, lease, lend, sell, sublicense, assign, distribute, publish, transfer, or otherwise make available (each, a “transfer”) the Fonts, or any features or functionality of the Fonts, to any third party, as otherwise expressly stated in this Agreement, without the prior written consent of Licensor.
	c. Document Embedding	The Fonts may not be embedded into electronic documents for use on computers that are not controlled by Licensee unless the electronic documents are distributed in a secure format that both allows only printing and viewing, and prohibits editing, enhancing, extracting, or modifying the text.
	d. AI Training	Licensee may not use the Fonts, or typeface designs embodied therein, directly or indirectly to train, develop or enhance any artificial intelligence (AI) system, machine learning model or algorithm, including but not limited to text or image generation models.
	e. App and ePub Use	Licensee may not embed the Fonts in Applications or Apps using the iOS, Windows Mobile, and Android mobile operating system formats without an App license upgrade. Licensee may not use the Fonts for e-book or e-reader type devices without an ePub license upgrade.
	f. Broadcast and Video Game Use	Licensee may not use the Fonts in titling, credits, or other text worldwide which is intended for display, transmission or distribution via any broadcast or airing media, including, without limitation, television, Internet, video or motion picture, and streaming platforms without a Broadcast license upgrade. Licensee may not embed the Fonts in non-mobile desktop or console game software for use in MacOS, Windows, Linux, etc., without a Video Game license upgrade.
	g. Letterform Products	Licensee may not use the Fonts in letterform-related or alphabet products, including letterform reproduction products and any product, device, or service which owes an essential portion of its value or appeal to the shapes of the letterforms in the Fonts without a license upgrade. This includes, but is not limited to, house numbers, rub-on letters, rubber stamps, stencil alphabet sets and adhesive alphabet letters.

5. Audit	The purchase price of the license was determined based on the number of Licensee's employees, as stated by Licensee. Licensor reserves the right to audit the Licensee's business annually to determine the number of its employees and Licensor may require a statement certified by its chief executive officer setting forth the number of Licensee's employees as of the date of such request. If the number of Licensee's employees exceeds the number reflected on the Order Invoice, Licensee shall promptly pay to Licensor the difference between the amount paid and the amount owed for the correct number of employees.
-----------------	---

6. Term	This Agreement is effective in perpetuity, except that if Licensee breaches any of its terms, Licensor shall have the right, in its sole discretion and without any obligation to Licensee, to terminate this Agreement and the license granted hereunder, whereupon Licensee shall have no rights to use or retain the Fonts and associated software.
----------------	--

7. No Warranty	Licensor makes no warranties, express or implied, as to merchantability, fitness for a particular purpose, or otherwise regarding the Fonts or their use. If Licensee encounters an issue or problem with the appearance or functionality of the Fonts within 60 days of the date of this Agreement, Licensor will make a reasonable, good faith effort to provide a fix or replacement within 60 days of being notified. If the issue cannot be reasonably remedied, Licensor may in its discretion offer to refund the purchase price of the license to the Licensee, at which point this Agreement will immediately terminate.
-----------------------	---

8. Liability

Licensor shall in no event be liable to Licensee or any other third party for any direct, indirect, consequential or incidental damages arising out of the use or inability to use the Fonts, even if notified in advance. Under no circumstances shall Licensor's liability exceed the cost of the license purchased by Licensee. Licensee shall indemnify and hold Licensor harmless from and against any and all claims or damage that may result from its, or any Authorized User's, misuse of the Fonts or breach of this Agreement.

9. Intellectual Property

Licensor retains ownership and all rights in and to the Fonts, and the Licensee acknowledges that it has no rights in or to the Fonts outside of the license granted by this Agreement. The Fonts and the designs and software embodied therein are subject to copyright and other intellectual property rights of or licenses held by Licensor. No right, title, or interest in the Fonts, including any associated intellectual property, is transferred to Licensee pursuant to or as a result of this Agreement.

10. Updates

During the term of the license granted under this Agreement, Licensor may give Licensee access to future versions of the Fonts, if any. Licensor does not have any obligation to make new versions available, or to continue to make available for access or download any versions of the Fonts. New versions of the Fonts, if any, are subject to the terms of this Agreement, which may be amended or modified by Licensor as stated in this Agreement, unless Licensor provides and requires additional or different terms.

11. Legal

This Agreement and all transactions under it shall be governed by the laws of the State of New York, excluding its choice of law rules. Any dispute or legal claim arising out of or relating to this Agreement or Licensee's use of the Fonts shall be adjudicated exclusively in either the state or federal courts located in Kings County, New York, and Licensee hereby irrevocably waives all jurisdictional, venue, or inconvenient forum objections to such courts. If any part of this Agreement is held void or unenforceable, it will not affect the validity of the rest of the Agreement, which shall remain valid and enforceable according to its terms. This Agreement may not be assigned by Licensee without the prior written consent of Licensor and any attempted assignment by Licensee without such consent will be void. Any amendment or modification to this Agreement must be in writing and signed by each of the parties hereto. Licensor's failure or election not to enforce a provision of this Agreement is not a waiver of its right to do so later. The headings and section titles within this Agreement are for convenience of reference only and shall not affect or alter the meaning or construction of any terms or provisions of this Agreement.
